# OLDHAM Coliseum THEATRE

We'd love to see our superheroes in action, so please share photos of yourselves in training, living as superheroes, or any posters that you might create during your training course, making sure to use the #ColiseumCreates hashtag. (Please do get an adult's permission before posting any pictures online!)

Adventures of Golden Galaxy is part of #ColiseumCreates, a series of fun activities for all the family.

Why not get creative outdoors or become a storyteller using our Coliseum Cubes? See if you can recognise some Oldham landmarks while you relax and give the Coliseum a bit of colour. Each activity has been created with an age range in mind, and can be adapted for the whole family to enjoy.
